

## ***Grace Resource Center Backpack -To - School Program***

The summer months will quickly fly by and students will be returning to school. Unfortunately, many families can not afford the required school supplies and backpacks. Grace Resource Center has a ***Backpack-To-School Program***.

GRC supplies backpacks and school supplies to families that cannot afford to purchase them. Last year GRC helped over 400 children.

**Here's some simple and easy way you can help:**

1. **Double up:** when purchasing your own students' supplies, buy one extra.
2. While you're standing in line at a store that sells school supplies, grab a **gift card**. These can be donated to finish purchasing the necessary supplies and we'll do the shopping for you.
3. Go on line to **www.graceresources.org** and make a donation and a notation that it's for the ***Backpack-to -School Program***.

School supplies can be delivered to Grace Resource Center at 45134 N. Sierra Highway, Lancaster (661) 940-5272.

**Backpacks will be distributed on Friday, August 5th at 2 pm. Please contact Lynda Elmes for more information (661) 940-5272.**
